Please complete the enclosed new patient form prior to your scheduled visit. The form can also be found on our website <https://www.schneckmed.org/medical-services/primary-care>. The link to the form is above the pictures of our providers. Please bring the completed form with you to your office visit. You may also bring it to the office prior to your visit, or you can fax it to the office at 812-523-4753.

If you have medical insurance, please bring all of your current insurance card/s with you to each visit. Please check to make sure that this is your most up to date card. We do also require a photo ID at your first visit.
